Furniture**

01

Initial Assessment

Vishwa Cleanroom begins each project by analyzing spaces and planning system distribution to provide a customized quote that aligns with your budget and needs.

BRINGING IDEAS TO LIFE

02

Design Phase

Our technical team prepares a 3D layout that offers customers a realistic view of the entire project, giving them a clear preview of the result. This detailed visualization is essential for ensuring the design and installation phases stay on track.

INDUSTRY WE CATER TO

CLEANROOM PANELS & CEILING

01

Pre-painted Galvanized
Iron (PPGI)

02

Powder-coated
Galvanized Iron (PCGI)

03

High-pressure
Laminate

04

Glass Panel Wall

05

Stainless Steel Wall &
Ceiling

06

Load Bearing
Ceiling

FEATURES

- Cost-effective & Removable & Re-locatable all panels
- Alternative To Conventional Construction Built To Drawing Layout, Minimal Alteration Required
- Fast And Easy Installation Pre-fabricated Cut-out
- For Utilities Flush Concept Highly Corrosive Resistance, Durable.
- Panel Thickness: 50mm/80mm/100mm/150mm
- Ceiling Thickness: 30mm/50mm Types: Walkable / Non-walkable

CLEANROOM DOORS

HPL Doors

**Powder
Coated Door**

**Stainless
Steel Door**

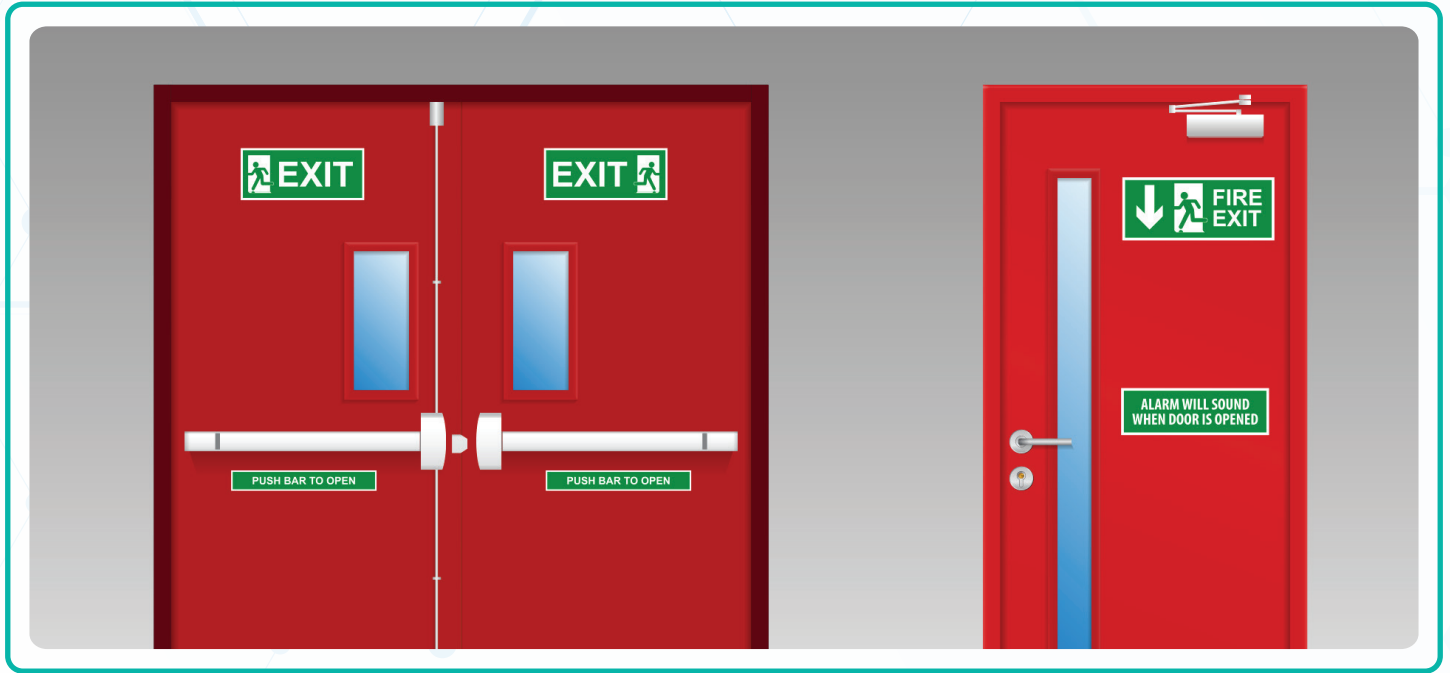

Glass Door

Fully Flush Surface With A Wall System A Large Variety Of Swing-out Doors
Manual/Semi-automatic & Fully Automatic Sliding Doors Best-in-class Door Hardware
Custom Dimensions Available Heavy-duty Structure For High Durability

FEATURES

- Powder-coated Galvanized Iron (PCGI) Doors
- High-pressure Laminate (HPL) Doors
- Glass Panel Door
- Stainless Steel Doors

FIRE & EMERGENCY EXIT DOOR

Commercial Doors

Industrial Doors

All door heavy duty & Multipurpose use for any application for any industrial uses
All fire doors are with fire rating certifications

Insulation Put(40Kg/M3),Rock Wool (96Kg/M3), PRI-Puff Fire Resistance Material
